part of the Convention with regard to the internal revenue will greatly add to the force of its recommendations with regard to the tariff. It is to the interest of this country that the moderate protectionists should have a controlling voice in the inevitable readjustment of the tariff. A happy medium between J. S. Moore and Judge Kelley is what the country wants. If the protectionists will consent to a reduction of duties that are clearly excessive and to the extension of the free list by the addition of raw materials required in home manufactures, the country will see to it that every interest requiring protection shall have it.

This Natural Bridge property has again changed hands, the owners this time being a stock company, of which Gov. Cornell, of New York, is President. It is the intention of the new company to build a railroad from the Richmond & Allegheny track to the bridge and to otherwise improve it as its importance and celebrity demand. It will then be one of the grandest and most famous resorts in the world.—*Lynchburg Virginian.*

"How are You My Old Friend?"
Asked a bright looking man, "Oh! I feel miserable, I'm bilious and can't eat, and my back is so lame I can't work." "Why in the world don't you take Kidney-Wort?" that's what I take when I'm out of sorts, and it always keeps me in perfect tune. My doctor recommends it for all such troubles. Kidney-Wort is the sure cure for biliousness and constipation. Don't fail to try it.—*Long Branch News.*
